Dear Parents / Carers,

The Divine Mercy RCPS is Unicef Rights Respecting school, and we have already achieved the Bronze Level for the Rights Respecting School Award (Rights Committed).

The school is working towards the next Silver Level (Rights Aware), and the pupils and staff are learning more about the rights of the children. During Spring Term most children will also take part in Capoe-RIGHTS sessions to learn about children's rights through Capoeira dance.

If you would like to find more information for the award, please, follow the link below:

For more information about the Capoeira sessions, please, see the video:
