Dear Parent

Full Time Nursery Places Currently Available for September 2024

I am writing to inform you that the School Office is currently organising Nursery Admissions for September 2024.

We have a number of applications on our waiting list but do have places available for September 2024.

If you require a Nursery Place for September you can add your child's name to the waiting list any time after their first birthday by completing a School application form. Application forms are available from the School Office or from the School website.

When space is available in nursery, your child can start attending as soon as they become three years old. However, if at the time of your child's third birthday nursery is full, and we are unable to offer you a place straight away, your child's name will remain on the waiting list until space becomes available.

If you have a Nursery age child and they will be three years old before 1 September 2024. Please contact the School Office to check your child's name is on the waiting list.

God Bless

Clare Campbell
