

The GIFT Team are raising money for Mission Possible.

You could have the chance of winning a huge summer hamper full of goodies for your whole family.

All you have to do is buy a strip of the paper for **20p of 5 strips of paper for £1.** The GIFT Team will write your name on the strips of paper and create one huge paper chain.

On Thursday 20th May 2024 during assembly we will ask Mr McLoughlin to cut the paper chain in a random place on the chain. The winner of the hamper will be the name on the strip of the paper.

Bring your money into class for your school councilors to collect and they will organise the paper chain with your name on the paper strips.

Good Luck Mrs C x
